ENVIRONMENTAL DECLARATION

Lankaran State University

Lankaran State University (LSU) recognizes environmental protection and sustainable development as fundamental principles of its educational, research, administrative, and community activities. The University is committed to minimizing its environmental impact and contributing to the achievement of the United Nations Sustainable Development Goals (SDGs).

To achieve these objectives, LSU commits to:

Energy Efficiency

Promoting efficient use of electricity, heating, and other energy resources.

Supporting the adoption of energy-saving technologies and practices across campus.

Water Conservation

Encouraging responsible water consumption.

Monitoring water use and implementing measures to reduce unnecessary consumption.

Waste Management

Reducing waste generation through prevention, reuse, and recycling initiatives.

Promoting environmentally responsible disposal practices.

Sustainable Procurement

Giving preference to environmentally friendly products and services where feasible.

Integrating sustainability considerations into purchasing decisions.

Environmental Education and Research

Supporting teaching, research, and innovation related to environmental sustainability.

Encouraging students and staff to participate in sustainability projects and initiatives.

Biodiversity and Green Campus

Protecting and enhancing green spaces on campus.

Promoting activities that contribute to biodiversity conservation and environmental awareness.

Community Engagement

Collaborating with local communities, public institutions, and stakeholders to address environmental challenges.

Raising awareness of sustainable lifestyles and environmental responsibility.

Continuous Improvement

Lankaran State University is committed to continually improving its environmental performance through monitoring, evaluation, and the implementation of sustainability initiatives. The University will regularly review its environmental objectives and actions to ensure ongoing progress toward a more sustainable future.

Through this Environmental Declaration, Lankaran State University reaffirms its commitment to environmental stewardship, social responsibility, and sustainable development for present and future generations.
