

Master's student of Lankaran State University Participates in Research Internship at Kafkas (Kars) University

A Master's student of Lankaran State University, Eminaga Akhundov, has been sent to Kafkas (Kars) University to undertake a scientific research internship. During his visit, he also participated in the International Symposium I on Veterinary Radiology. It should be noted that students of the Faculty of Veterinary Medicine at Lankaran State University are traditionally sent to Kafkas (Kars) University each year to complete their practical training and gain international academic experience.
