GENERAL PROVISIONS

Lankaran State University (LSU) considers ensuring a safe, healthy, and secure educational environment for students as a top priority. A comprehensive security system is implemented to ensure safety across the campus and all related university activities.

PURPOSE

The main objectives of this policy are:

To create a safe and controlled university environment;

To prevent and minimize risks;

To establish an effective and rapid response mechanism for emergencies;

To raise students' awareness about safety issues.

CAMPUS SECURITY INFRASTRUCTURE

Modern technical and physical security systems are used to ensure safety at the university:

VIDEO SURVEILLANCE (CCTV) SYSTEM

SECURITY SERVICE

Professional security staff operate within the university premises, controlling entry and exit points.

EMERGENCIES AND FIRE SAFETY

In case of emergencies, the following measures are taken:

In case of fire or other hazards, security and emergency services are notified immediately;

Students evacuate the building according to the evacuation plan;

Fire extinguishers and other safety equipment are used only by trained personnel;

Students are directed to designated safe assembly points.

STUDENT RESPONSIBILITIES

Students are expected to:
Follow university rules and safety procedures;
Immediately report suspicious or dangerous situations to security or university administration;
Be familiar with fire safety and evacuation procedures;
Demonstrate discipline and responsibility on campus.

FINAL PROVISION

Lankaran State University considers creating a safe, modern, and controlled educational environment one of its key responsibilities. All students and staff are expected to comply with this policy and contribute to the effectiveness of the university's overall safety system.
