Support services for people with disabilities

Along with ethnic, religious and national minorities, students with physical disabilities also study at LSU. For students with disabilities according to their health colloquiums and exams are organizing in the current assessment.

Lankaran State University became a partner of ESFIDIP (Establishment of a Foundation for the Integration of Disabled People into HEIs of Azerbaijan) TEMPUS grant project. Within this project, Khazar University, University of Lodz (Poland), University of Macedonia (Greece), University of Graz (Austria), Lankaran State University, Ganja State University, Sumgayit State University, Azerbaijan State University of Economics, Nakhchivan State University, Labor and Social Problems Representatives of the Scientific Research and Training Center and the Union of Disabled Organizations jointly cooperated in this field. With the help of this project, The Center for disabled students was open at Lankaran State University. In addition to the center equipped with modern equipment, the University has installed panels, an elevator and other necessary equipment for them in the educational building.

Persons with disabilities are persons with stable physical, mental, mental or emotional disorders that prevent them from fully and effectively participating in the life of society on an equal level with others when they encounter various obstacles.

Persons with disabilities have the right to study at our University. This right is exercised based on non-discrimination and equality of opportunity.

Lankaran State University provides inclusive education and training throughout the life of a person with disabilities at all levels.

It strives for the full development of human potential, as well as feelings of dignity and self-respect, and the strengthening of respect for human rights, fundamental freedoms and human diversity.

It supports the full development of the personality, individual talent and creativity of persons with disabilities, as well as their mental and physical abilities.

It enables people with disabilities effectively participate in the life of a free society. Individuals with disabilities receive the assistance required to facilitate effective learning in the education system.

Tuition fees for I and II groups of disabled people are paid from the funds of the state budget, as well as students under 18 years of age, studying on a fee-based basis in state higher educational institutions of the Republic of Azerbaijan. Students with special needs are adapted to the team, integrated into society, and formed as individuals with equal rights like other students.

This increases their self-confidence. Among students of Lankaran State University, there are Paralympic (swimming and weightlifting) champions.

Konül Vidadi Suleymanova, a student of the 1st academic year of the Faculty of History, Geography and Arts of Lankaran State University (LDU), majoring in Social Work, continues to achieve great sports successes.

The student of LSU successfully competed in the Paralympic Swimming World Cup held in Italy in January 2023 and won the 3rd place.

Konul Süleymanova confidently competed in the championship held in Germany on May 12 of this year and achieved great success in this type of sport, securing a license for the world championship will held in Manchester, Great Britain, on July 27-August 6, 2023.

Konul Süleymanova was born in 2004 in Fuzuli. Konul currently lives in Baku with his parents, has been engaged in professional swimming since he was 10 years old.

He was the champion of Azerbaijan 5 times among children in this type of sport, successfully represented our country in European level competitions several times and achieved high results.

Konul Süleymanova is currently successfully passing the exams of the spring exam session at Lankaran State University.

The Rector of LSU, Professor Natig Ibrahimov, said that he was proud of Konul and his parents, that the whole university was happy and proud of the sports achievements of the Paralympian student and that necessary conditions are being created for her during her studies.

Jeyhun Mahmudov, a student of Lankaran State University (LDU), member of our powerlifting national team (54 kg), has won the right to participate in the Paris-2024 Paralympic Games. Based on the request sent by National Paralympic Committee, our athlete who won the World Cup in 2023 has granted the right to participate in the Paralympics ("Bipartite") from the International Paralympic Committee. That is a good thing that LSU students recognize and glorify their higher education institution not only with their academic success, but also with their achievements in the field of sports.

Mahmudov Jeyhun Kamil a student of 5th year of the Faculty of Economics and Management of LSU. He is a member of the national team of the National Paralympic Committee of the Republic of Azerbaijan in Para powerlifting in the 54 kg weight category.

Mahmudov Jeyhun was born in Baku in 1992. Although it was difficult due to his physical limitations, he regularly engaged in sports, and thanks to his perseverance, he achieved many sports successes. Thus, he won a gold medal by showing a result of 152 kg in the individual category of 54 kg in the Para powerlifting World Cup held in Tbilisi, Georgia on April 29-May 1, 2023. Mahmudov Jeyhun won another gold medal by showing 441 kg in the total three attempts -142 kg, 147 kg, 152 kg. This victory earned the athlete a license for the World Para powerlifting Championship will held in the United Arab Emirates in August 2023.

We are very happy for all the successes of our students, including Jeyhun Mahmudov's achievements in the field of sports, and we are proud of our winning athlete!
